

Junior Business Analyst

Fenego

At Fenego, we combine our passion for technology with strong expertise in commerce. Based on our partnership with Intershop, we have a proven track-record in providing our customers with state-of-the-art commerce platforms, and by consequence serve their customers the best possible online experience.

Fenego distinguishes itself by the exceptionally high level of expertise, customer-centric and down-to-earth approach. Fenego is a hotspot for entrepreneurship with passionate employees and attracts people based on their talent.

Profile

- As business analyst, you take an important part of ownership over the analysis phase.
- You have a bachelor's or master's degree in a relevant field of study.
- You have a healthy interest in e-commerce
- You take responsibility, can work accurately and have an eye for detail.
- You are a team player who can collaborate with colleagues in a constructive and professional manner.
- You are down-to-earth and communicative.
- You are leading functional workshops with customers and are able to translate these requirements into a blueprint for the implementation phase, including well-described development tasks.
- You are able to proactively manage expectations with different stakeholders.
- Experience or affinity with digital commerce and / or IT environments is a plus.
- You are fluent in Dutch and English.
- You are always looking to improve and have a "get-the-job-done"-mentality.

What we have to offer

With Fenego as your family, you will become part of a fast-growing, passionate and eager team, within the innovation incubator Xplore Group. Being part of the Cronos group, Fenego has offices in Kontich, Merelbeke and headquarters at the Corda Campus in Hasselt.
