

Hands-on Project Manager

Fenego

At Fenego, we combine our passion for technology with strong expertise in commerce. Based on our partnership with Intershop, we have a proven track-record in providing our customers with state-of-the-art commerce platforms, and by consequence serve their customers the best possible online experience.

Fenego distinguishes itself by the exceptionally high level of expertise, customer-centric and down-to-earth approach. Fenego is a hotspot for entrepreneurship with passionate employees and attracts people based on their talent.

Profile

- As project manager, you take full ownership over project planning and budget.
- You are the point of contact and representing the company during steering committees and project management
- You are a real team player and hold a no-nonsense mentality
- You are a true communicator and born project lead.
- You have proper knowledge and experience with Agile project methodologies, such as SCRUM and/or KANBAN.
- You are able to proactively manage expectations with different stakeholders.
- You are fluent in Dutch and English.
- You are always looking to improve and have a “get-the-job-done”-mentality.

What we have to offer

With Fenego as your family, you will become part of a fast-growing, passionate and eager team, within the innovation incubator Xplore Group. Being part of the Cronos group, Fenego has offices in Kontich, Merelbeke and headquarters at the Corda Campus in Hasselt.
